## Praying Your Prodigals Back Home

*What is a prodigal? A prodigal is a person who at one time received Christ as Lord and Savior, but has since strayed from God and is no longer living in obedience to Him. The term comes from Jesus' parable of the Prodigal Son in Luke 15:11-32.*

Most of us have or know of at least one prodigal in our lives. This can be a very distressing time of life, especially if it's a loved one. Sometimes we can feel helpless and hopeless wondering if there is really anything we can do to help bring them back to the Lord. With this in mind, we have developed special teachings that will help you pray for and minister to your wayward loved ones.

Have you been in the place where it has been just too difficult to pray? Or you don't know what to pray? When you feel like this, you need someone to help you hold up your hands just as Moses needed Aaron and Hur to hold up his hands when the battle was raging (Exodus 17:12).

We have developed an audio recording of God's promises designed specifically for those who want to bring their "prodigal son" back home. On this CD of personalized scripture prayers you can agree with us in prayer and take hold of God's promises for them. We will help you hold up your hands until the victory is accomplished.

"Again, I tell you that if two of you on earth agree about anything you ask for, it will be done for you by my Father in heaven" (Matt 18:19 NIV).

We have set scripture promises to soft background music to create an atmosphere of prayer. It makes it easy for you to agree with us in prayer, and it's an easy way to learn how to pray God's word. Listen to a sample clip. (Russ, add the audio link here to listen to the prodigal clip. It's the same one that's in the green box on the right border.)

Included on one CD is a powerful testimony and teaching, scripture prayers, and a PDF file of all the scriptures used so you may print them out from your computer for future reference.

We hope that you will find these tools invaluable. Let us join you to take back their lives for God.

"There is hope in your future, says the LORD, that your children shall come back to their own border" (Jeremiah 31:17 N KJV).
