Second Visitation

I have not been able to write the newsletter the past two months because I had a second visitation from the Lord on May 10th 2004. I was in the Spirit from about 7pm on May 9th and did not sleep the whole night. By the time I was coming out of the Spirit and I had looked out the window, it was the morning of May 10th (which was a Sunday) and I had to go to preach in church that morning.

I went to church half drunk in the Spirit and could not stay for the fellowship because I had to get back into the deep presence of God. During the first visitation in January 1986, the Lord Jesus appeared to me and talked to me about the Anointing of the Holy Spirit. During this visitation, He talked to me about the Anointing in the business world. It would probably take me a year or more to understand everything that He talked to me about. I can share some of the things but other things can only be shared in the year 2006, after certain events have taken place.

During the visitation, the Lord showed me His hands and anointed me afresh. I noticed the nail pierced hands and a light coming forth from His hands. Amongst the many things that He talked about, the following stands out this year:

3. Many that resist the Spirit of God will be judged in the year 2005.

The Spirit will not always keep striving with the flesh (Gen 6:3; Gal 5:16-17). There are many Christians who persecute their own brethren (those who are born again) who seem to get away with it for the past years but they have only this year to get their lips and their hearts and lives cleansed by the fire of God. They have one more year of grace during which the Spirit of God is working repentance in their lives. I saw a vision during this time of two waves that look like diametrically opposing sine waves. One was on an up curve while the other was on a down curve. Both waves intersect this year in the month of May and the differentiation is only going to get more and more extreme as time passes. Those who love God will receive more and more grace and promotion. Those who resist will receive more and more judgment and demotion.

4. The glory of God will be more greatly manifest and more greatly visible among those of His church and His servants.

It is the Will of God that His glory shall be in His temple. God's temple today is His living church where His glory abides (Eph 1:23). There is a danger of over familiarity with God's

1. There is wave of grace and favour that will come upon God's people.

It is the intention of God to show forth in the church His manifold wisdom not only to the humans on earth but also to the principalities and the powers in the heavenly places (Eph 3:8). Inclusive in this wave is the placing of God's people in places of authority and rulership. And also positions of great wealth. There are many of His people who have wealth and power but they are not using them to establish His kingdom. Their wealth and power will be taken away from them and given to those who will be faithful. And as God raised David to from shepherd to king, so will God raised many of His humble people to positions of authority and power.

2. There will be a quick work of God and some things would seem to happen overnight.

In one day, Joseph was promoted from prisoner to Prime Minister (Gen 41:14, 41). In one day, Babylon fell to the Medes and Persians (Dan 5:30, 31). There is an acceleration of things taking place because the price of waiting has been paid. There are many who have waited on the Lord in their nests and will suddenly rise as eagles into the sky (Isa 40:31).

presence and glory that one does not respect God. However, this is not in the sense of self-righteousness which some people display; rather it is the gentle and meek Spirit which Moses displays (Num 12:1-3). For some, God has allowed them to be persecuted more than others so that the Spirit of glory may rest upon them (1 Pet 4:14). To many of these saints who have suffered much from the scourge of the tongue and physical abuse, be encouraged for God has especially trained you for the last days. To those who have only wanted all to speak well of them, they will be shown as false prophets (Luke 6:26).

There are many other things that the Lord has shown that can only be shared a little at a time. Revelation like vitamins need to be taken in the right doses a little at a time to be beneficial.

Just keep loving the Lord with all your hearts, minds and souls and love everyone who is your neighbour, especially those of the family of God. Guard your heart, your thoughts and your tongue from iniquity. May God grant each of us great grace and mercy.

SPECIAL ONE YEAR BIBLE TRAINING

The one year training Bible school has been deferred. We have had a lot of enquiries but most of them have asked for sponsorship as they are not able to pay for their own tuition fee and accommodations. We will commence it when the Lord provides sufficient funds to sponsor the students. All those who have applied, please note that your particulars have been recorded and you will be contacted when we are ready to commence. Please let us know your updated contacts if they changed in the meantime.

SINGAPORE MEETINGS

Contacts are being made for the organisation of a three day End Time seminar in Singapore and also for a three year Monday night meetings (as was done in the decade of the nineties). If you would like to be part of the team in helping in any way, please email us at elshaddai1@bigpond.com.
