## The Word of the Lord

There were many things that God showed me in His recent visitation, many of which I do not understand yet.

1. Ever since His church was empowered on the day of Pentecost, there have been many waves of the move of God. The Lord said that every move has always attracted a counterfeit move by the devil.

This is a cause for great concern because we have never really watch out for the counterfeit but have always been carried forward by each move of God. Many times we have always accepted everything that goes on in every move without separating the wheat from the tares.

In the Old Testament time of prophets, there were false prophets who challenged them (1 Kings 22). In the New Testament time of the apostles, there were false apostles (2 Cor 11:13). In the Pentecostal move, the Charismatic move, the faith movement, prayer movement, etc. in the past years, there are things that were genuine and there were things that were not both in methods and doctrine. We need to always return to the written Word of God for both the doctrine and the correct methodology.

2. In the last days, the Lord will be sending forth His labourers two by two throughout the world as a final witness before His coming. They will

They have all given up their day jobs and were consecrated to the task of the preaching the gospel. Some of them were fed supernaturally while others were provided for by those who had abundance. There was no poor or needy among them for those who had abundance was sharing everything they had to get the message of the gospel to the world.

3. There is a separation taking place among those who were of the light from those who are not.

There is even a separation from those who were cold from those who are hot. Those who love the Lord and make Him their Lord from those who merely give lip service to Him. Those who have shunned the world and all that is in the world from those who love the world and all the things in the world. If anyone loves the world, the love of the Father is NOT in him (1 John 2:15). Although they may not have broken the Ten Commandments, those who love the world and the pleasures and luxury of this world will not be able to bring their call and gifting that God give them through His engrafted Word into fullness (Mark 4:19).

Many of those who have received the good things in this lifetime will be tormented in the next life while those who have been tormented will be comforted (Luke 16:25). God is not against a person being wealthy in this life but He asks that those who are wealthy share with those who are poor.

be provided for supernaturally as were those sent two by two throughout the towns in Israel in one final witness before His crucifixion. (Matthew 10; Luke 9).

I saw a glimpse of the end times. Many were travelling to and fro proclaiming the gospel of Jesus Christ. Although no one knows the day or hour, everyone who was in Him seems to know that the time was near. Some were travelling by conventional means while others were carried about by the Spirit like Philip (Acts 8:39). There were very great and mighty signs following the preaching of the Word. At the same time, there was great persecution from some quarters. Those who were travelling to and fro seem to be dedicated to that purpose.

If you have faith to believe God for millions of dollars, don't spend it on yourself.

Be like Jesus and help the poor and your reward shall be great in heaven. If you are very rich, would you choose to live moderately and humbly? Jesus did! He chose to be born in a manger! A thousand years ago, being like Christ was being married to poverty (St Francis of Assisi). A thousand years since that time, modern Christianity thinks that being like Christ is being very rich. Somewhere in between is the balance. Let's find it before Jesus comes for His bride the church which He has predestined to be conformed to His image (Rom 8:29).

As we look forward to another new year, let us ask the question, "Have we become more like Christ?"

## SPECIAL ONE YEAR BIBLE TRAINING

The one-year training Bible school has been deferred. We have had a lot of enquiries but most of them have asked for sponsorship, as they are not able to pay for their own tuition fee and accommodations. We will commence it when the Lord provides sufficient funds to sponsor the students. Cost of sponsoring each student is A\$21,000 inclusive of food and accommodation. We need a minimum of 30 students to launch the school. All those who have applied, please note that your particulars have been recorded and you will be contacted when we are ready to commence. Please let us know your updated contacts if they have changed in the meantime.

## SINGAPORE MEETINGS

Contacts are being made for the organisation of a three day End Time seminar in Singapore and also for a three year Monday night meetings (as was done in the decade of the nineties). If you would like to be part of the team in helping in any way, please email us at [elshaddai1@bigpond.com](mailto:elshaddai1@bigpond.com).

## SOME WORDS FROM THE LORD

A Word of the Lord for Singapore

The church of city of lions has reach maturity. It is time for the lions to leave their dens and be sent forth. Many have already been sent willingly. But many others will be sent unwillingly. They will be shaken and circumstances shall compel them to move on. The fivefold are being called to go forth by the voice of my Spirit. There are those who hear the call and have obeyed. Those who disobey will become as a dry and stagnant river. It is a time of reckoning - to choose to go left or to go to the right. If they choose right it shall be a time of greatest glory and destiny for the church. If they choose left, it will be a time of difficulty and suffering.

The phases of Singapore

1965 to 1975 - The seed was planted.

1975 to 1985 - The young sapling has grown.

1985 to 1995 - The plant has matured.

1995 to 2005 - The plant has produced fruit.

It has reach a time of destiny and has two roads to choose

2005 to 2015 - The fruit will be spread throughout the world or

2005 to 2015 - A time of great difficulty and many compelled to spread the fruit throughout the world.

*My comments:*

We have seen the greatest church growth in Singapore from the nineties to the present (2004). No doubt the pastors who have large churches today have been obedient and faithful to their giftings and calling. Hopefully, they will not forget that it is the Lord who has added to the church (Acts 2:47). The largest church in Singapore in the eighties is no longer carrying the banner - others are now carrying the banner in the past ten years. Please be sensitive to the phases of destiny. I, myself, was not obedient to fully obey God to move on and was compelled to move on. *{Since I move on in 1997 - the Lord has revealed to me that my personal destiny has various phases: 1976-1986 A period of the Word, 1986-1996 A period of the Spirit, 1996-2006 A period of the Blood (A period of great difficulty & experiencing of the cross of suffering - I was not fully obedient to move on in 1996 but circumstances move me on in 1997), 2006-2016 Another new phase which the Lord has revealed some things of which I have resolved to be more obedient}*. Not all who are in the frontline will be commanded to leave the nation of Singapore (During the great persecution in Acts 8:1, the apostles remained behind). There are those of various fivefold ministries that will be called to move on to spread their wings to other nations of the world. My greatest concern for Singapore is that unlike South Korea, there is not a very strong force of constant church corporate prayer that is backing up this recent period of great church growth. Since all growth and revival has its roots in prayer, I believe that this period of growth has ridden on the backs of unknown individuals and small prayer groups here and there who have paid the price of intercession for Singapore (And of course the individual ministers who have paid their own personal price to tap on this period of the grace of God for South-east Asia). May God bring the church in the nation of Singapore to its greatest period yet from 2005 to 2015.

## A word of the Lord for Malaysia

Malaysian churches have always been strong in prayer. There have been many prayer movements that God has raised within the nation. The phases of the church in Malaysia have been measured by its Prime Ministers.

Tunku Abdul Rahman 1957-1970 - The first wave of missions and church planting

Tun Abdul Razak 1970-1976 - The second wave of Bible schools and Bible training. Many locals were trained and launched.

Tun Hussein Onn 1976-1981 - The third wave of visitation. Many local spots of revival and visitations.

Tun Dr Mahathir 1981-2003 - A time of church planting, church growth and fivefold development.

Datuk Seri Abdullah 2003-present - Like Singapore, the time has come for sending forth of fivefold throughout the world.

*My comments:*

Something interesting is happening in South-east Asia. We have three very moderate and friendly leaders of the three nations of Singapore (Brigadier Lee), of Malaysia (Datuk Seri Abdullah) and of Indonesia (Susilo Bambang Yudhoyono) leading these nations into the next phase politically.

## A word of the Lord for Indonesia

Like Malaysia, the phases has flowed with the changes in political leadership.

Sukarno 1945-1967 A phase of seeding the gospel in difficult circumstances.

Suharto 1967-1998 A phase of revival and church growth amidst persecution in some areas.

Habibie 1998-1999 A time of great change and turmoil - A call to prayer.

Wahid 1999-2001 A time of intercession and prayer.

Megawati 2001-2004 A time for sending forth of missions to the world. Indonesians ministers reaching Indonesians worldwide.

Yudhoyono 2004-present A time for sending forth of the fivefold ministers. A time of preparation for persecution - the church would have to prepare for times of persecution on the horizon.

*My comments:*

Indonesia, Malaysia and Singapore have always had their destinies tied together. The church of Indonesia has always faced the greatest difficulty but has had the grace of God's visitation and revival. In the spiritual realm, it is the Christians of Indonesia who have held against the tidal wave of the enemy forces against the church in South-east Asia. If Indonesia falls, Malaysia and Singapore will fall. The three nations are like a three-fold chord. If one weakens, the pressure will be on the other two.

A word of the Lord for USA

In the last 100 years, the church in US has been in the forefront carrying the work of God and pushing the borders of the kingdom of God in US and throughout the world. From the Azusa street revival to the extremes we see in televangelism in the late twentieth century, the American church is typical of the Laodicean church. Its emphasis on money, its method and its justification of this emphasis will be judged. No doubt there are many good people and good ministries who are aware of this wrong and are trying to correct this. While the European church espouses the doctrinal extreme of their view of money after the first millennium of Christianity - St Francis of Assisi (about 1200AD) considered himself married to poverty - the American church has moved to the opposite extreme side of developing doctrinal strains and methodology espousing wealth in the second millennium of Christianity. In spite of all these extremes, God has continued to work with the American church mightily. While many would only see a message of doom for USA, God's grace will still sustain those who are genuinely of the Lord and whose hearts are pure in His sight. However, the church in USA will no longer have the influence and world dominion that it has before. It will be a difficult time for the genuine because they are going to live in the midst of Sodom and Gomorrah. Where sin abounds, grace will even more abound for those who love the Lord living in such difficult times. God will remove the proponents of Laodicean wealth who have a mighty voice in the nation until they are but a whisper. Instead, He will raise on high voices of moderation and purity in the land of the free - the great nation of the USA. For those who seek holiness, their garments will shine bright and visible throughout the world as they seek to raise a standard of light in the darkness that confronts them. We all should be grateful to the American church which through its freedom has been able to experiment (sometimes to the extreme) various methods and doctrinal understanding of which many of us have been blessed. All who have been blessed should not adopt all the methodology and styles of the American church but rather develop their own from their understanding of the Scriptures.

A word of the Lord for United Kingdom

Throughout the 1800s and early 1900s it has been the bulwark of Christianity. United Kingdom will be an important pillar that preserves darkness from completely taking over the European Union in the 21<sup>st</sup> Century. Although the work of the Anti-Christ cannot be prevented in the future formation of the Revised Roman Empire, the witness of the gospel of Jesus Christ shall be greatly borne throughout Europe by the church of the UK. Many will return to the roots of the great revivals that have swept through UK and Europe in the past centuries and rediscover the fires that never really died. They were like pilot lights holding on until the fresh breeze of God provides the fuel to fan the flame that will give Europe a fresh wave of refreshing. While the American church wrestle with wealth and sins of the flesh, the church in Europe will wrestle with powers of ecclesiastical pride and organization that seeks to stifle all that is spiritual. Once again the intercessors will take their place to stand and wrestle with forces of darkness like the generations of intercessors of a previous generation. Although the determination and permission of God for the anti-Christ government to arise cannot be prevented, the pure and genuine in the faith shall find places of refuge that will constantly challenge the forces of darkness. The church in Europe will have

an important linkage to the nation and church in Israel. Its influence there will exceed that of the American church. While the church in USA will be like the pure living in Sodom and Gomorrah, the church in Europe will be like the pure living in Babylon.

#### A word of the Lord for Australia

Australia was proclaimed the “Southern land of the Holy Spirit” by Pedro Ferdinand de Quiros on the Day of Pentecost, 14th May, 1606. In the year 2006, Australia will complete four hundred years after this proclamation. Like unto the four hundred years of incubation that Abraham and his descendants had before they rose out of Egypt and became a nation (Gen 15:13-14), the church in Australia will arise into their fullness four hundred years after this proclamation. There will be also a going forth with great possessions as Australia takes its place in between the shift of the centre of gravity of world influence from USA to Europe. The Holy Spirit will work in marvellous ways and the word of God will prevail mightily. Working together with the church in Asia, the church in Australia will move forth in sending forth fivefold ministries throughout the world in a great and final wave of revival before the end time finale in the work of God in Europe and Israel.
