The Vision – 2006 to 2016

In 1997 when we first arrived in Australia, I spent much time, before that in Singapore and thereafter in Australia, in much fasting and prayer repenting before God for all my failures and mistakes. There were many periods of fastings 7 days, 40 days, 21 days, etc. with breaks in between. Sometimes, I fasted till there was no strength left. Emotions were felt in the soul from one spectrum to the other but all were surrendered to the Lord.

About six months after I arrived, an angel of the Lord appeared in my room in the early hours of the morning (the same ministry angel that had appeared from time to time at different periods of the ministry from 1976 to 1996). I was also given a vision of the end times. Personally, I had already resigned myself to a life of seclusion and away from the frontlines of the ministry. But the angel of the Lord began to explain to me that my life was divided into periods of ten years. The first ten years was a period of the Word (1976 to 1986); the second ten years was a period of the Spirit (1986 to 1996) and the third ten years was supposed to be a period of the Blood (1996 to 2006).

I was told that I had not been obedient to move on in 1996. Because of that all the failures and turmoils have been permitted by God to occur. I wept many tears when God spoke to me in such a manner and asked for His cleansing and forgiveness. I

In the early part of 2005 (knowing that 2006 was dawning within a year), during a forty day fast as I was praying what to do in the next year, the Lord began to show me about a Bible school patterned after Jesus and His disciples in the gospels. In the middle of year 2005, I knew where the Bible school was to be located for the first year. Thus, the birth of the Logos Bible School which has began this year.

The Lord revealed that the period of 2006 to 2016 was to be a period of His Glory. During this decade, His greatest command is to raise up disciples, missionaries, trainees, fivefold ministers. First ten, then a hundred, then a thousand, then a hundred thousand, then a million and ten million. They would go forth throughout all the nations of the earth to prepare the Bride of Christ for His coming. This was the vision of the end times that He showed me. I saw during His visitation in 1997 groups of trained people going forth in teams throughout the whole earth. Some of them were travelling by conventional means; others were translated in the Spirit from one place to another. Great miracles and demonstrations of His Spirit accompanied them. It was like the cloud of God's glory was literally surrounding them as they travelled all over the world preaching and preparing God's people for His coming. Signs and wonders occurred and many creative miracles took place with people being raised from the dead. And all of them were fulltime supported by God's supernatural and abundant provision which He specially released to enable this to take place.

In Matthew 28:18-20, the great command

had been too busy trying to grow the church bigger and bigger. I had been too busy allowing other things to take the priority from the fundamentals. After some time of when God allowed me to pour my heart before Him, the angel said that I was where I was supposed to be. That the ten years of Blood would be a period of suffering, ridicule, etc. until all that was within me was purified. It was to be a period of aloneness, quietness and searching.

I had spent the past years from 1997 to 2006 re-examining everything within me, everything within the Word of God, everything within my theology, everything of my methodology. There was much that I had to unlearn and other things that I had to re-learn at the feet of the Lord. In May 2005, as the period of the Blood was coming to a close, the Lord appeared again to me and showed me His hands and took me into a place in the realm of His Spirit of His Holiness (I shared a little about this in earlier Manna issues). It was the most awesome and painful experience in the Spirit in the realm of His holiness. I remained drunk in the Spirit for most of the next day.

of Jesus is misunderstood as converting people or planting large churches. The greatest command of Jesus is to make disciples. And the qualities of these disciples are those who will come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the fullness of Christ that they are no longer tossed to and fro by every wind of doctrine but grow into the full body of Christ in love (Eph. 4:12-16).

Imagine a group of fulltime disciples and fivefold ministries – thousands and millions of them – united with one purpose in God praying all night together, fasting forty days together, worshipping together, etc. Imagine a million, nay ten million, disciples and fivefold ministries travelling through all the nations of the world simultaneously. They would turn the world upside down (rather right side up). Entire cities would have the glory of God descend in convicting power as these gather together.

The decade for the manifestation of the glory of God has come. This year is the beginning of His glory. Expect many supernatural acts of God in preparing His people this year.

Report on beginning of Logos Bible School in February 2006

Some students have arrived for the start of the Bible School. Others are still on the way. First course is the Panorama of the Bible - New Testament. Activities presently are prayer four hours a day during the week days; all night prayer (nine hours – 10pm to 7am every Friday night), etc. Pastor Peter Tan is on his forty day fast and some students are joining in for part of the fast. The things of God are being discussed everyday in an informal atmosphere over the table. If you know in the Spirit that you are to be part of this inaugural team, you are welcomed to join us. For those who are still praying for a miracle of financial provision, let us know and we will believe with God for you. We are expecting a supernatural visitation of God during one of those prayer and worship times this year.
