Important Prophecies on the End Times

During the late 1980s, when I was spending a lot of time meditating on the End Times and also praying for understanding of the last day revival, I was woken up by a voice that spoke in the early hours of the morning. The voice repeated the words, “Argentina, Argentina.” I felt the presence of the Lord in the room and could not go back to sleep again. Not fully understanding what it all meant, I looked for information on all the revivalists in Argentina at that time. Three pastor evangelists were prominently featured in various publications. I thought that the Lord wanted me to learn as much from their ministries as possible.

At that time in the 1980s, I was also interested to know, when the Lord looks at the earth, who were those who walk closest to God in the present time. Perhaps there were people who had touched the Lord’s heart in a special way in Argentina at that time. It was the deep desire of my heart that should there be any human alive who walk with God like Enoch did, that we should learn from them – whether they be well known or completely unknown.

It was only in 1998 after I had come to Australia that I understood what the Lord meant when He spoke. “Argentina, Argentina.” During that time I was led back to go through my library of books and found a little book of visions given by God to a humble little lady named Annie. The

Although I have never met her (but I have written to her and her husband), I have been kept aware of the two prophecies that was given to her: one in 1989 before the Berlin Wall came down, and another in 2001 especially pertaining to the present situation in US and the Middle East. For those interested in current affairs, these two prophecies are very important as they also carry predictive events that at this moment of writing have not fully come to pass yet. (I have included these two prophecies at the end of this newsletter with acknowledgements and credit to her.)

However, if you are interested in the last day revival from the church perspective, the little book of her visions is the place to start. (If you are interested in her book, please email the contacts at the end of this newsletter obtained by one of the Bible school students, James Soo, who has just written to them and managed to order the book from the distributor).

Of course, we all know that God continues to reveal His plans and purposes to all men and women everywhere who are listening to Him. But of all the many so called apostles or prophets who have tried to lay claim to having the last word for His church, there is none as accurate as that given through this handmaiden in the 1970s and still rings true today.

In terms of revelations, God does continue to reveal to His apostles and prophets the things concerning the end of times (Eph. 3:5 – and, of course, they have to be in line with the written Word of God). I have read and heard many so-called prophecies of

visions were given in the 1970s (even before I was born again). I had bought the book amongst a score of other books many years back and never had an opportunity to look at it closely. It was sitting in my library unread until 1998 – I did glance at it in the bookshop and saw that it was generally a whole lot of symbolic visions and bought it out of interest.

During the period of 1997 to 2005, even though I was kept hidden away, there were so many things of the spiritual realm that the Lord kept showing – many of which I do not fully understand. It was during this period that the Lord led me back to read this little book and I found a lot of confirmation in some of the things that were shown to this little handmaiden of the Lord. The most important aspect was that all these revelations pertain to the last revival of God in the End Times. Finally, I understood that God had chosen this humble handmaiden and given her an insight into the last and great revival of the End Times. God was trying to point me towards what I was seeking to understand in 1980s about the last great revival but I only understood it in the late 1990s to 2005.

many, some well known and some unknown, but in many of these I found the following lacking:

1. Many of them are too general to be of any significance.
2. Many of them have predictive parts in their prophecy or revelation that never came to pass. In the Old Testament they would have been stoned as false prophets but many of these still continue as though nothing has happened and kept “hush, hush” on the wrong predictive prophecies.
3. Many of them do not seek to lead people closer to God but rather use such revelations to build their own kingdoms or ministry up. The Bible is clear that even if predictions came to pass but it does not led to a true relationship with God, the prophecies or signs can be discounted (Deut. 13:2,3).
4. Many of them function like Balaam and seek earthly rewards and gain rather than freely giving it.

God is about to pour forth another move of the Spirit even more powerful than all the revivals we have seen before. We need to pray and wait on the Lord for this great awakening.

Testimony from James and Joanne Soo, Logos Bible School students

My wife and I know there is much more God has placed in store for his church and our individual lives. We needed the extra guidance and God guided us to Logos Bible School. So far, the School is beyond our imagination. We have enjoyed ourselves in all areas of our lives.

The Holy Spirit has even begun imparting, teaching and training us (1 John 2:27) while we receive training from Ps Peter and Ps Amy. We attend personal worship, word and prayer together. This training is all rounded, inclusive of personal, family, ministry and other areas.

The desire for more of Him is beyond words. With that I (James) have begun my 21 days fast, 4 hours daily prayer for weekdays, enriching Bible study and overnight prayer every Friday (10pm to 7 am). Our hunger and desire for Him is beyond food, sleep, etc. I must say all this is done with delight and not "demanded", and what I have been looking forward to do here.

With this, especially after the first overnight prayer meeting, I have had almost daily dreams and special ways the Lord confirming His presence since then till today. The dreams are for personal direction for me and my wife (Joanne), His workings in our lives in all other areas. I can say that our spirit man is now even more sensitive to Him and His workings. Grateful to the Lord for this.

Holland, 1989

It was during a conference in Holland in 1989 that I was alone and in the presence of God. Again, He carried me away to this special place that he has preserved for me and in which He sustains me when He wants to show me things that are terrible to behold. Once I was put in this special shelter, Jesus began to show me natural and spiritual changes that would happen in Europe and in the Middle East. He revealed

to me how the geopolitical map of the European continent would change in a drastic way, particularly with the fall of communism. At the moment it seemed inconceivable that such changes could possibly occur.

Nevertheless in obedience to the Lord, I declared the vision in the conference on July 9th, 1989. Some days later in a Church in England, I again shared the vision, however this time with more details. Within six months the vision I am about to share began to unfold in the natural.

The Four Fierce Angels

As I sat and worshipped my living Lord, He came and once again took me away into His place of revelation. As He comforted me and covered me, I looked and beheld four incredible beings. They were sent to stand on the four corners of the European Continent. These beings were huge and impressive in the magnitude of their power and authority.

As they stood just above the continent, these evil, angelic beings began to show a reigning and dominate nature. Their appearance was fierce. They were given the power to shake everything. Soon it would be time for these forces to take action.

They would first operate and dominate in Europe then extend their influence to the rest of the world gaining their control little by little eventually surrounding and controlling everything. The importance of what would happen remained marked in my heart, since it will prove to be vital and crucial to the entire human race.

These huge, fierce, reigning angels of fearsome power were sent to change the development of the future, beginning now. They will shake every order both spiritual and political, known up to this point in time. Jesus gave me understanding that it was now time for the previous spiritual rulers to be replaced by these dominant powers of darkness. They were now staged to bring upon the earth a more subtle and powerful darkness than the earth has ever known.

In this vision I saw how the spirit of communism was devoured and substituted by these new forces. This new government would facilitate new and greater wars and much bloodshed as in past centuries. These four new powers of darkness now reigning over Europe would affect the whole world even more than the World War II. God is letting this occur to pave the way for the great and final king of darkness.

The Government of these Forces

The spiritual government being exercised through these dark forces was connected to the government of men. The political world and the government of men are intricately interrelated. I could see that it is like a spider web. When the web is touched it sends pulsating movement throughout the whole web. In this same way these forces will use their power to shake and change everything. In a pulsating fashion touching this system then that until their purpose has been realized. As a result, the activity of the whole world would enter into to a time of great transition and alterations. This would be particularly realized in the control of the individual and in the control of the economy.

Jesus showed me that at the beginning these powers, through present political movements had a benign and beneficial appearance. It would begin to look as though this new way was bringing great solutions and answers that people applauded. Then I saw a new alliances begin to form by human alliance. However, this bond was only a disguise to hide the implementation of an evil work that would come to light in a short time.

Power of the Middle East

The vision continued to develop and the Lord showed me that in addition to Europe, the Middle East was also released to new and higher powers of darkness. These powers would work great destruction, and by means of war, attempt to impose their control upon all other nations. The spirit of violence

accompanying these global powers was so tremendous that they brought commotion and changes in the whole world especially the United States.

Such things as I saw this time though from the shelter of His love and the safety of His protection, made a deep impact upon me.

World leaders will be weakened bringing unimaginable shock and chaos. Due to the influences of the reigning powers leaders will make a lot of mistakes, many wrong decisions that would contribute to aggravating their problems even more.

All these things put together dramatically affected the United States in connection to its power and influence in the world. The reign of these spirits also entered the material sphere; gaining control in the economic world and provoked a progressive and severe financial collapse. As the vision progressed, I saw that the United States was about to be involved in another war, which would further weaken its political and economic arenas.

The European Bloc

The European Continent will be strengthened and united to other powers. World alliances will be formed creating a great economic, political and commercial bloc – globalizing everything. This will bring about a matrix of enormous world influence preparing the way for the coming anti-Christ.

As these powers unite and take control, everything will seem to unify and function remarkably well in the natural world – for a time. Then I saw the strength of individual governments being shaken. There will be a state of international insecurity further weakening the world financial institutions, leaving them without backing or reliability.

Devastating uncertainty will abound further incited by a great evil force called "spirit of fright and horror." This cloud of evil will further weaken humanity preparing them for the coming anti-Christ.

The Work of the Ruling Spirits

I looked and saw a great cloak of darkness that hid tremendous evil. This controlling force enslaved and oppressed society. People who were under its control would lose all traces of goodness, purity, honesty, and morality, becoming inwardly empty. It reminded me of a trunk of a tree that had been devoured on the inside by termites leaving only a hollow shell of bark when the feast was finished. This state of emptiness brought on by their rejection of God, caused these people to become propitious toward the mandates of the evil one. Entire generations will live in this condition of internal emptiness, contamination and evil – totally impervious to God.

As I watched this time of evil unfold Jesus spoke to me saying: "This is a time of definition for the sons of God, as well as for all mankind."

The Reigning Spirit, "Control"

This reigning force called "Control" is unimaginably powerful. As I watched it manoeuvre in the midst of great human need, I saw that his treacherous ways were subtle and barely discernable; but to those who were locked in the cloud of increasing darkness and fear, he seemed as an angel of light. He seemed to offer solutions in the midst of impending doom.

However, his solutions were nothing less than a predetermined path leading to the ultimate prison.

As I continued to watch this horror unfolds before me, I could see, not only the actions of this ruling spirit, but also his covert intentions. What initially seemed like benevolent solutions would in the end become a means of obtaining his goal of complete tyranny over mankind. His ruthless kingdom built on the foundation of hate and greed will become apparent only when he has a sure confidence that his throne is well secured among unsuspecting men. He will gradually bring the world into his new system, creating laws that will justify his global control. By this means he will acquire complete dominance over

all men, preparing the way for the emergence of the anti-Christ and his new world order.

The Purpose of the Visions

These visions with their great insight into the uncertain future were given by our benevolent Father to encourage us. It is out of His abundant mercy that He is drawing His own ones to His side, that He might spare us from the intentions of the evil one.

The Father mercifully dispenses judgments to separate all who belong to Him from all that do not. Those who desire Him will be greatly touched and influenced by His justice, and will be preserved and kept for Christ Himself. Out of the love flowing from a pure heart His precious ones will run to His side, and be hidden under the shadow of His wings. There in this secret place He will reveal His tender love, care and supernatural provision for all who love Him.

He comforted me as He spoke: "My sons -- those who will come to Me, will increase their dependence upon Me and their knowledge of My person. They will no longer depend upon their own resources and thoughts. For I have prepared for them a supernatural revival."

Further, Jesus gave me understanding regarding the proclamation of the visions saying: "The prophetic word must be declared first in the spiritual realm, as that is where all things originate before they are reflected upon earth. Then it must be declared in the temporal to precipitate its fulfillment."

2001

Present Day Europe

Transparent Place of Security

In the year 2001 I was unexpectedly called to Holland and England once again. Once we arrived we were met with incredible circumstances that necessitated cancelling all the plans that were made for us to journey and speak. We simply stayed in various cities and hotels and did nothing but pray. This imperative situation pushed me into the Lord's presence to hear His will and obey regardless of my understanding. I was concerned about our sons and friends in Uruguay but, I knew we could not yet return, so we contacted our intercessors and immediate fervent prayer began to ascend to the throne on our behalf.

During this time of intense seeking of the Lord's face, Jesus came and once again took me away into Himself. As I entered this place with Him He began to overwhelm my whole being with His liquid light. This washing of His wonderful light caused me to become submerged in Him and in His love in an intense and tender way. I was impregnated by His presence, removing all fear. This prepared me for what I was about to see.

I was then placed in a sort of armour plated, transparent, crystal box. I could see this place was strong and well fortified. He carefully placed me there to protect me, preventing me from being affected by all that I was about to be shown. I felt a great security. I was there with Him, and in this covered place I knew nothing could harm me. After a moment I realized that this transparent covering was really composed of the precious blood of Jesus. It was His blood that made this hiding place impenetrable. For this reason no evil spirit, nor power of darkness could in any way violate me.

The Lord then told me that what I would see would be of great importance both for me, and the world in which I live. Further, He stated that this time in history is of enormous significance. As His words entered into me, my spiritual senses were much awakened and entered into an acute state of alert.

Spirit of "Hatred of God"

I saw the most powerful empire among the nations of the earth shaken. I instantly knew it was the United States. I could almost feel the affects of what was about to happen. Jesus was anticipating me. Jesus continued His instruction. As the vision carried on, I saw a satanic spirit of great power and blasphemous hatred for God Himself released upon the earth. It was horrifying to see this infectious spirit spread its evil nature over the nations like a contagious disease. The power of every country it affected was weakened underneath its influence. His dominion resulted in disaster, disorder and great confusion.

The outstanding features of this terrible force were the violent and blasphemous words it released against God. His expressions were the result of his own vile hatred and fury against God. Men who submitted themselves to him became mere replicas of his own nature.

Its operations were indicative of his inner motivations. He was a cruel devourer, like a wild beast seeking his prey. He was characterized by a cruel and irrational instinct, void of any mercy toward its prey.

Spirit of "World Control"

This spirit was a force of uncontrollable power. It seemed to be Satan himself, controlling everything with great haughtiness. His actions had an incredible debilitating affect on nations and on men. Like dominos falling one after another, men and nations would be further shaken in their human securities, making them evermore prone to his evil entrapments.

It was most enlightening to see how these spirits could operate due to the evil conditions found in men's heart. Due to all that had preceded the working of this evil force, being so long fed by pride and rebellion, these men were totally closed to the influence of the Spirit of God. They had no fear of God and now were completely uninhibited and defiant in their behaviour.

These spirits were fed by their human counterparts and would increasingly be enlarged in their dominion, hardening people with sin and endeavouring to keep them insensible to their opportunities of life in God.

Herein is the double workings of God: on the one hand He allowed these forces to arise in great shakings and judgment on the ungodly, and on the other hand He purposed with great yearning to arouse the sleeping and lukewarm in His Church to a conviction of their great need for Himself. All this temporal devastation was actually designed as tools in His capable hands to correct and purify His own ones and bring them to His loving side.

Beginning of the Middle East War

The visions concerning this theme came one after another. From His place of peace and protection I could see war starting in the Middle East, spreading through Europe and reaching America. The spirit of "Hatred for God" inspired this war that was brooding in the Middle East. It manifested as a blasphemous, violent and uncontrollable fanaticism.

I saw this spirit as a whirlwind in the desert, shaping into a nest wherein these ruling spirits of darkness dwelt. Like the winds blowing in increasing intensity they affected many of the Arabic Nations. The countries that were affected were given over to the false and deceiving spirits, and with total defiance and force sought spiritual control as they endeavoured to impose a blasphemous god. Those given over to its power were totally possessed. The venom of its evil was primarily targeted at Israel.

The objective of these spirits is the total annihilation of Israel. Consequently because of the support that America has been to Israel, they long to unleash their destructive power upon America as well. At this very moment, this spirit is stronger and far more deceptive than what men believe or are able to discern. This spirit is never subject to men but men void of the spirit of God are subject to it.

Indications of These Spirits

The summary of natural signs consistent with the activity of these spirits is as follows:

1. An illogical and irregular behaviour of governments, making great mistakes in crucial moments, causing confusion and chaos.
2. Countries will arise in war with more powerful armaments than they appeared to have. These will bring the destruction of many innocent people.
3. The most powerful country in the world, (USA), will suffer great changes because other countries will take advantage of its conflicts and will work to further weaken it. Because God loves America, it will not be destroyed. However, it will progressively decline in its status of being the first world power.
4. There will be great famine in several parts of the earth and multiplied thousands will perish from terrible disease. Though these cycles have scourged the earth in the past, there will be distinctive signs of the end-time plagues. These events will develop quickly, unavoidably and without control.
5. Natural disasters will affect the climate and will alter water levels, changing even the physical characteristics of the countries and bringing very detrimental effects to many of them.
6. All this world chaos will be the favourable environment for the enemy and his forces to facilitate their purposes. Great poverty, injustice, insecurity and criminality will be seen all over the world, paving the way for the anti-Christ.
7. After some time another President will arise in the USA who will be extremely hostile towards the Gospel, and will claim that Christianity and the US policy of defending Israel, are the cause of America*s current crises.
8. For a short time during this international crises Russia will stand with America. Then it will betray America provoking something even more serious for the United States with a view to an even greater conflict.
9. Argentina will be utterly devastated in all areas, including the economic, political, social and moral realms. Internal conflicts will increase causing great destruction. Argentina will be a laboratory of sorts to test expected results for other countries.
10. In relation to the economic order: in many countries the banks will run out of funds and will be left without effective backing ruining the current system. Therefore, the government will take control of everything, further restricting personal freedom and producing great fear and despair.
11. Europe will become the place of shelter for the anti-Christ. From there he will become manifest to the world in his proper time.
12. Countries planning to escape this unification will not survive. They will be forced to submit. Weapons of political and economic control will be used to force countries under this global control.
13. Implementation of a world court with increased powers and with authority to control all things will be increasingly stressed.

14. The operations of these reigning spirits that are assigned to bring about this one world government will seem to be soft on the outside. However, they will actually be very fearsome and powerful.

15. These high-ranking spirits will operate influencing and controlling heads of state, overcoming language, racial and cultural differences. I saw spirits enter these dignitaries. Although the bodies, personalities, and cultures of the dignitaries were different the operations of the spirits were the same and the many bodies they inhabited operated as though they were one man yielding all control to the evil spirit. These spirits will work through pacts and alliances and will gain widespread control.

16. Israel's hidden power deployment designed to destroy their enemies will be seen in this upcoming war. These weapons are of such a nature as to have been unknown to mankind before. Bombs of great magnitude, capable of causing much destruction will be used. These events are only a link of the chain of events belonging to a sequence of predetermined incidents leading to the world dominion of the anti-Christ. Latin American countries will also be affected by these events. The whole world will only react as these things explode upon it, as though awakened to a living nightmare of which they have become apart.

A Call for Alert to His People

Jesus told me that His Spirit has released a call of alert for the Church to redeem the time as never before. The more I realize how fragile this world is, the more I am drawn to rest in Jesus, in His eternal Word and His supernatural resources for our present age.

A Place of Shelter

In these visions I was shown by Jesus that He is preparing a unique place of shelter for this hour for those who are committed to the person of Jesus Christ and walk closely to Him. His sanctified ones will be kept in this place of shelter and protected from all the storms and judgments that will come over the rest of humanity.

This will be a time when His beloved Church will be awakened, purified and prepared, being separated from all contamination, filth and delivered from all bondage. Just as the powers of darkness will increase in power so will the sons of light greatly increase in all that is God.

To His Beloved Ones

Simultaneous to all the afore mentioned events Jesus has prepared a great spiritual revival of life and light for this hour. This awakening will transform multitudes of lives in whom the reality and knowledge of the person of Jesus Christ will become most apparent. Although the future of the forces of darkness and their purposes in the earth seem so terrible, the Lord will use it to awaken people from the destruction of indifference, religiosity, and spiritual death.

I saw that His precious ones will be covered in the same armour plated cubical I was protected in while watching the visions unfold. The precious blood of Christ will cover and protect them from all evil. How wonderful His provision for His beloved will be. Neither the impure people nor the any force of darkness could penetrate the impregnable wall of His blood. Nevertheless only those who allow the deep work of the Holy Spirit in their lives will be preserved.

As I continued to watch the unfolding vision I saw that not only were His hidden ones loving protected and cared for by Christ Himself, but they will also be witnesses and participants of the fulfilment of His word and His will upon the earth.

Tank of Mercy

It was wonderful to enter into a place of infinite abundance now being accumulated for the purpose of soon being poured forth!

I saw the magnitude of the provision of His divine mercy. It had the appearance of a water tank the size of an entire city, but its provision was for only one person. It was an overflowing resource. Each of His own ones will be so endowed with this abundance in provision.

I was given to see things from the very inside of the person of Jesus. Things looked very different. The life that was in great activity in that place was ready to pour forth upon and imbue His people. By this great measure of God, which is only a small part of His person, will His own ones be awakened and strengthened in Himself.

I both saw and experienced this living and eternal measure of Himself. I was wonderfully amazed. What a sense of security it produced in me. How can I describe it? Christ*s control was absolute. It is light of very God, which cannot be enclosed or shut up. This new outpouring of His amazing life will greatly affect the world bringing about a great harvest.

Place of Appealing Capacities

What a tender and appealing welcome He gave me as I once again entered His presence. I will never understand why He loves me so. But, what a comfort it is when I hear Him tell of His great love for me again and again. This love has consistency and substance, covering and overwhelming my entire person.

As I came into His presence He took me to a place and asked me to look. As I beheld this place, I could see that it was *a place of appealing capacities.* I saw a vast amount of light, which had different functions and capacities. The Father would use these capacities in His surrendered ones to let them also be used to affect the spiritual world of people, cities, and nations.

These capacities came as an avalanche of or flood of life. The main component was His power. When mingled with His fire, it all came together to create a mighty river of God Himself.

I saw how the surrendered ones were drawn to Jesus like a magnet. I marvelled as I contemplated this.

The Affects of Appealing Capacities

While my spirit was absorbed in His wonderful presence, Jesus showed me again that *place of appealing capacities.* He allowed me to see my own being, very vulnerable and fragile. I saw Him infusing me with His strength. I knew that this impartation would accompany and support me at all times. What an amazing contrast between what I felt in myself, and what He imparted to me. This impartation of His very self filled my being and offset my weakness and fear.

The Place of His Shared Being

Through a new encounter of my spirit with Jesus, I entered a place I had never been before. It was very special and high as it was an exclusively separated place for someone very special and loved.

Upon entering, He let me know this place was for the beloved. The beauty was overwhelming and great peace and security emanated everywhere. The incomparable holiness of Christ Himself could be felt. It was place without a single spot of contamination, purer than the purest crystal and impossible to be described with words. There was a complete absence of sin.

I could ascertain that not only Jesus was in that high place. But also the Father and the Holy Spirit were there in perfect harmony and unity! How can the holiness of that place ever be described? No adequate words can be found. That translucent purity was the love of the Father, Son and Holy Spirit that permanently flowed together in perfect and high love and unity. This infinitely high and sublime place was captivating and attractive beyond all description.

Afterwards I saw how Jesus Himself was that place. It was actually inside His own being. Then I was able to comprehend that the Father and the Holy Spirit were actually sharing the place that had been prepared for His beloved.

That place had been set aside for those who were completely surrendered to Him, the beloved who had absorbed Him as a sponge absorbs water. Just like the sponge has nothing in itself, it is empty in itself, but with great absorbing capacity, the beloved that enter into that place can draw into themselves the essence of the Trinity while being contain in the Trinity.

What a precious reward for those lives that walked the way of surrender! Being attracted by such pure and high love held in the Trinity and prepared for His beloved, is the most precious reward that can ever be imagined.

I then saw how His beloved changed from being like sponges into becoming liquid itself. They had undergone a metamorphosis so Christ Himself, being wholly integrated into His nature, could absorb them. They experienced this transformation for they had given themselves in love to Him.

I could identify with them as I understood that they were lives just like mine, because He had also made me part of that liquid. He rejoiced, and how greatly He expressed His joy that their surrender had prepared them for Himself only. It was a very beautiful condition with His beloved that had been prepared and awaiting Him. Having a body to share that beautiful something with produced in Him deep satisfaction, and fulfilment in the things done by Him. My whole being was moved by this part of Himself, and I was totally imbued with Him.

For instance he transported me out of this place and I saw extremely high walls without doors or windows. When He took me closer, I saw that the walls were huge beautiful angels that protected this place so that only those chosen by God were allowed to enter.

I saw how the lives that had been absorbed in Jesus* inner world had received the capacity of going out filled by the power that emanated from Himself to accomplish His will.

It is glorious to mature and increasingly develop in the understanding of the things God was revealing. All things He showed me were brought to pass in an operation of permanent life, and nothing was wasted. I could see how the people that sincerely allowed and received this operation of the life of Jesus in their hearts came into a place where God revealed ever-increasing understanding of Himself and His kingdom.

From inside of Jesus* person, all things look so different. This life was prepared to imbue His people with the very essence of Himself. Hearts will be awakened and strengthened in God Himself. I could not help being amazed by all this. I felt such assurance as I dwelt there. His control was absolute.

It is the very light of God that cannot remain confined, but that will extend out from itself, bringing about a great end-time harvest.

The Wave of Pure Light

While in a time of adoring worship of Him for whom my heart longs, He came to me snatching me away and took me into the spheres of His wondrous light. When He receives me into His presence He invariably does it with those ineffable words that ring such peace and security; He tells me: Do not be afraid!

I know that I would not be able to enter His cloud of glory if He did not give breath to me with His greeting, since the reaction that provokes the taking part in so high spheres of glory and holiness is tremendously overwhelming. He has to protect me in this way from the affects of such grandeur, and refulgence, for if He did not, I would be devastated and I would not be able to bear it. He also covers me in His cloud of love and peace when He shows me the operations of this hour.

With tremendous strength and demonstration of purpose, the Lord talked to me about a great *now* when He would be gathering multitude of souls. In contrast with His chosen in whom He had been performing a profound work, this new operation would be carried out in a completely exposed way and with great clarity.

Jesus showed me a new and extraordinary wave of heavenly, pure, light and life that He is accumulating to prepare the manifestation of the great harvest that will develop underneath the storm of evil which is forming. He told me that He would not wait or retain this wave anymore, but *now* had come. While being released by Him, it would flow over the earth, bringing multitudes of souls to the fold.

This new wave, full of powers and forces of light and life, was His instrument and had a double function: one function was to open as the incision of a sharp sword would make, and the other penetrated and went through beyond all defences and accomplished what God determined.

In this new occasion the Lord told me: You will see now! Immediately I looked and saw a new and mighty pure wave of power that had begun to work under that terrible storm of darkness of evil and persecution. While the storm of darkness still followed its course, this new wave of so pure light and life that had been prepared for this hour, suddenly started to expand in an explosive and magnificent way.

I saw how this new wave operated. I saw what appeared to be gigantic arms extending out to gather countless multitudes of souls for Jesus. In amazing operations of God, in great power and strength,

untold millions were taken for Him.

However, there were differences between the levels and conditions of these souls. The elect ones were obviously superior in development and light, but despite their inferior condition, the souls gathered under the storm were more numerous and equally precious to the Lord. He was especially interested in the great harvest of this multitude of souls. With great joy and power He was intensively working to fulfil this.

The inferior condition of the new ones was detectable not by their appearance, but by their relationship with God. Those who walked above the storm have a very intimate relationship with Him, characterized by a great intensity, as if they were linked with the same fires and torrents of the divine nature. When the new ones received abundant blessings from God, it was due to the fact that these blessings rebounded from His chosen ones. The blessings on one rebounded as a blessing for the other. Clearly the operation of God in this wave of light developed in the chosen ones through purity and holiness.

The wave of pure light was working in the midst of great darkness underneath the storm. He showed me an especially terrible and gloomy area that offered no promise, where the wave had not yet reached. Then He caused me to see that this light would expand in places where it had never been before and where the darkness had reigned without opposition. These places were many and were awaiting the manifestation of this work.

Jesus said He would take this manifestation of this marvellous wave of light and life to a certain state of development * up to the same threshold of its explosion. Although He desired this wave to burst in this explosion force of purity, something was still missing prohibiting this from happening. The moment of this explosion would be precipitated and lit by the elect ones who were above the storm. Each of them individually had to open as if it were a door inside them and they also had to enter an even higher place of communion with Christ, which at the same time would open their inner doors to manifestation in power force of light.

While opening these doors that great wave of light would pass through them and would start to accomplish its purposes and works over the land of the final harvest. Although this wave, full of extreme power and force to the reaping, would gather multitudes, it would however gradually and progressively advance, taking its territory as long as the chosen ones moved forward and opened the doors to the new ones. The ones who were under the storm, though they received great provision of light and life that God shed, nonetheless they were allowed to be moved, shaken and buffeted. However, through this, the way would be provided in which the Lord would mould, transform and develop them. On the contrary, those who were above the storm of darkness, that is the elect ones could not be shaken as they were rooted and asserted in their relationship with Christ.

Jesus explained that these sons that would give way to this new wave must be extremely purified. This purification is of fundamental importance, not only for themselves, but also for these new ones that will be gathered. This high, complete purification of the elect ones is equivalent to the opening of the doors inside them that will rebound in a force of great life and light to those millions that are still in darkness.

The above prophecies were given by the Lord to Annie Schisler. Those interested in more of her visions should obtain the complete set of four books now printed as one volume.
